Vocalist:

Song-Writer and Vocalist, LuJuana Haynes will grace us with her melodic voice that speaks to the soul. LuJuana, whose name means "Graceful Warrior," is a contemporary vocalist with extensive vocal range and versatility from classical to gospel. She has ministered at national conferences and has traveled extensively across Europe sharing her beautiful gift of song. Her latest credits include the debut of her first single, "Inspired," written especially for the Possessing Your Worth Retreat.

A note from Inspired Sistah:

The Possessing Your Worth Retreat is part of a vision that I have to "Inspire Women to Live on Top of the World." This retreat will comprise of a series of interactive workshops that will challenge you, at your deepest level, to cultivate the beauty that lies within. We will endeavor to strengthen you where you're weak, build on your strengths and reinforce the value you possess. Thank you for taking this opportunity to do something good for yourself so that you can be more effective in your everyday lives. And thank you for trusting me to lead you on this journey. You won't be disappointed.

Blessings,

Tangie
